

# Chiefland Middle High School

## CMHS Mission Statement

We, the faculty of CMHS, believe our purpose is to challenge and prepare students to become productive, responsible citizens. We will encourage students within a caring and challenging community to set Achievable goals and strive to reach these goals through personal excellence.

Chiefland Middle High School  
January STUDENT OF THE  
MONTH

**Middle School**  
**Claire Horne**  
**6th Grader**

Chiefland Middle is proud to announce **Claire Horne** as our student of the month.

Claire is kind, dedicated and respectful. She is always engaged, prepared and a hard worker. She always does what she is supposed to do. She is a peace-maker. She is a very pleasant student. She is a great example for her peers

**High School**

**Cheyenne Gay--Cheyenne** is an extremely hard working student. She is currently taking AP and college courses and is excelling despite having to overcome some very difficult personal hardships this semester. She finds time to volunteer as an active member of the Youth Environmental Association. She has volunteered many hours to campus cleanups, homecoming activities and environmental educational awareness activities on campus. As my student assistant she is always willing to do what ever is asked of her. She will often come in to help set up labs on her own time if needed. I think Cheyenne would represent CMHS well as our December student of the month. Thank you for your consideration.
